PROFILE

I am a dedicated and ambitious individual currently pursuing a career in full stack web development. With a background in commerce, having completed my B.Com degree, I bring a unique blend of analytical and technical skills to the table. Over the past year, I have gained hands-on experience in front-end development at Kodu, where I honed my skills in HTML, CSS, JavaScript, and React. I am passionate about creating seamless and efficient web applications, and I am eager to expand my expertise to back-end development to become a proficient full stack developer. My goal is to leverage my diverse skill set to build innovative solutions that enhance user experiences and drive business success.
